

Bowl Teams To Meet Tomorrow

Council Sponsors Student Migration

The Student Council will sponsor a migration day Oct. 22, when the team travels to St. Ambrose College at Davenport, Ia. The game will be played under the lights at the Ambrose Stadium.

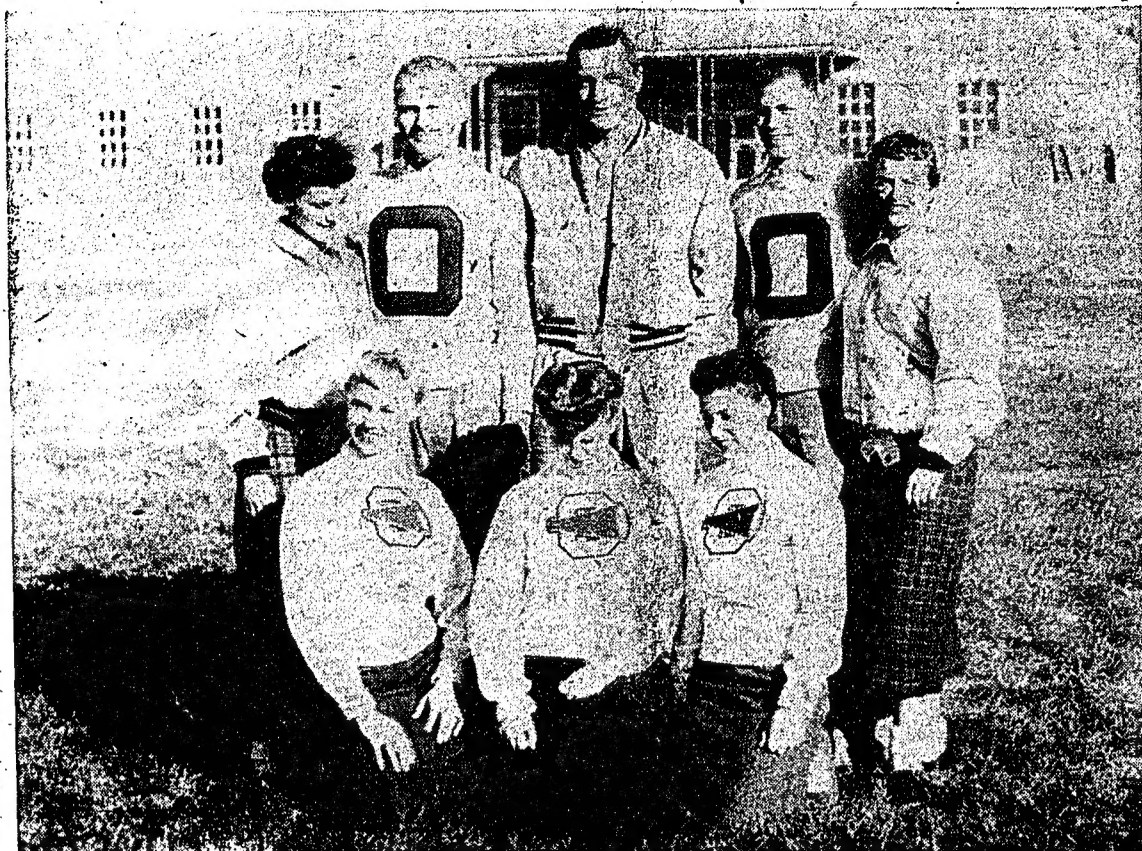

Arrangements have been made for mass student transportation on the Rock Island railroad. The train will leave Omaha Saturday, Oct. 22, at 11:30 a. m. and arrive in Davenport at 5:04 in the afternoon. After the game, the train will depart for Omaha at 1:20 a. m., Oct. 23, and arrive in Omaha at 8:15 that morning.

The cost per student will be around \$14. Dean Donald Plasterer states that 25 students will have to sign to receive the rates. When the number reaches 25, the railroad will reserve a lightweight streamlined coach both ways for exclusive use. Additional coaches will be added and reserved as the need arises.

A \$5 down payment must be made at the Dean of Students Office for reservations on the migration day special. The money will go toward payment on the tickets.

OU To Boost Game Spirit

Omaha University's calendar will be filled with activities today and tomorrow concerning the Omaha U.-Eastern Kentucky State football game to be played at 8:00 p. m. in the Omaha Municipal Stadium.

Today's program will begin with a pep-rally in the auditorium at 11 a. m. The University band will also parade through the halls. Following this, a parade, composed of students' cars and a Student Council float, will proceed to the County Court House. Last year's Tomahawk Beauty Queen finalists will make the journey riding on the float.

Upon reaching the Court House steps, the pep-rally will be continued, starting at 12:00 noon. All 11:00 and 12:00 classes will be excused so that students may attend this rally. One o'clock classes will resume as usual, however.

The Eastern Kentucky football team will arrive at the Municipal Airport at 1 p. m.

Half-time ceremonies at the game will be occupied by the introduction of Nebraska's Governor Victor Anderson, Mayor John Rosenblatt, and Miss Sandy Speicher, Miss Nebraska of 1955. The ROTC Sabres and the Angel's Flight will also perform at this time.

KWOU Starts Tryouts Today

Tryouts for positions on the campus radio station, KWOU, begin today in Room 310 from 11 a. m. to 2 p. m. Tryouts will be Monday from 8 to 9 a. m. and Tuesday from 11 a. m. to 2 p. m. Any student interested in any phase of radio or television work is urged to attend the tryouts.

Positions in announcing, engineering and promotion are available. More specifically, these classifications include announcers, disc jockeys, script writers, music librarians, artists and journalists.

Operating personnel are especially in demand. Students interested in electronics should inquire about positions. No previous experience is necessary for any of these positions.

All radio station personnel will be eligible to work with WOW and KMTV radio stations on University radio and television shows. The KWOU Board of Directors was elected Thursday at a meeting of the Radio and Television Club. The club is composed of students interested in all phases of radio and television.

The new station manager is Jerry Larson. Other board members are Donald Claussen, Bob Henkel, Judy Rogers and Ardith Sampson.

The campus radio station will broadcast news and music to the University throughout the week. The new station manager stated, "Future plans call for station expansion into new fields."

Larson added, in connection with the radio tryouts, "KWOU is your radio station, and you should support it."

Attention, Students

All students attending the Eastern Kentucky State game Saturday on student game tickets must present their activity cards with their tickets for admission.

This will be strictly enforced at the gate. No student will be admitted on just a student game ticket.

Annual Shots Offered For Student Protection

The annual flu shots will be administered Oct. 24. Students, faculty and staff members who are interested should contact the Nurse's office, Room 250, before Friday.

The shots are advised for those who are subject to attacks of virus and would miss valuable class and work time. They are being offered now, before the "flu season" starts, so that everyone will be protected.

Each person receiving the shots will be charged a dollar, which is to cover the cost of the vaccine.

NIFA Accepts Topics For Debate, Discussion

Nebraska Intercollegiate Forensic Association members unanimously accepted the national debate and discussion topic for 1955-56 and believe them to be especially significant and timely.

The debate proposition is: "That the non-agricultural industries of the United States guarantee their employees an annual wage." The discussion question is: "How can we best implement the decision of the Supreme Court for racial integration in the schools?"

Professor Alfred Sugarman of Omaha University, newly elected secretary of the N.I.F.A., announced Monday that the association's annual tournament will be held March 9 and 10, 1956, at the State Teachers College, Wayne, Neb.

The first meeting of the N.I.F.A. was Oct. 8, at Columbus, Neb. Members of the association are Creighton University, Doane College, Hastings College, Nebraska State College at Kearney, McCook Junior College, Midland College, Nebraska Wesleyan University, Omaha University, Nebraska State College at Peru, and Nebraska State College at Wayne.

Business Fellowship Awarded to OU Junior

Shirley Babb, junior, has been awarded the work fellowship of \$50 in the College of Business Administration.

Students' Cars Must Be Tagged

Beginning Monday, students who drive cars to Omaha U must fill out an application for a parking permit. Each car must have a parking sticker so that registration is more easily seen when recording parking violations.

The application blanks must be obtained by Wednesday from 8:30 a. m. to 4 p. m. from Mrs. Babette Crowder in the Student Lounge, and from 8 a. m. to 5 p. m. in the Dean of Students office. Information needed includes the driver's name, his home address and phone number, car license, make, color and year.

The parking permit sticker containing a serial number, should be placed in the lower-front corner of the left front door glass of the car.

The sticker will permit the student to use any parking lot on campus, however, it will not excuse any driver from payment of regular parking fees in the metered lots.

Night school students will be contacted through their classes; however, if a day student attends evening classes, he need register for only one serial number, which will apply to both day and evening classes.

Future Med Students Must Register Monday

All pre-med students who plan to enter medical school in the fall of 1956 must register for the Medical College Admission Test by Monday.

The test will be given in this area on Oct. 31 at the University of Nebraska College of Medicine. Students should contact chemistry professor Dr. D. N. Marquardt, Room 435, before Monday for application forms and the medical "Bulletin of Information for 1955."

The test is given on a nationwide basis and is necessary to enter any medical school in the United States.

Political Science Authority To Lecture at World Affairs

Discussing "Germany and Western Security" in the second World Affairs lecture series will be Dr. Hans J. Morgenthau, leading authority on political science and American foreign policy. He will appear at 8:15 p. m. Wednesday in the Auditorium.

Morgenthau is the professor of political science and director of the Center for the Study of American Foreign Policy of the University of Chicago. He formerly taught international law at the universities of Geneva, Frankfurt, Madrid and Paris. He came to the United States in 1937 and became a citizen in 1953.

"Since the Summit" is the title of this year's lectures, and it is the tenth consecutive year that the University's College of Adult Education has conducted the series. Members of the University and of sponsoring groups are admitted to the Institute by showing membership cards or student activity cards. The public is invited to attend.

Hanson Baldwin, military editor of the NEW YORK TIMES, spoke at the first institute session. He reviewed the major outbreaks of warfare in the past year.

Campus Chest Votes To Name 'Cutest, Ugliest'

There are times when being ugly is helpful. One, for example, is the forthcoming "Ugly Man-Cutest Pan" contest, sponsored by Alpha Phi Omega, service fraternity.

This semester's competition will begin Monday and will last through Wednesday. Winners will be announced at a student dance from 3 to 5 p. m. Wednesday in the Club.

Voting will be conducted at a booth in the University's main corridor. Each vote submitted will cost the voter one cent, and the candidate receiving the most votes gets the title of "Ugly Man" or "Cutest Pan."

Contestants for Cutest Pan are Joan Erickson, Nancy Hodges, Adrienne Miller, Nancy Reed and "Jeep" Rentschler.

Vying for Ugly Man are Tom Casey, Dye Dritter, Ken Korinek, Gary Schultz and Don Waddell.

The Student Council will make the appropriation of funds. Last year's proceeds totaled \$1,613, of which 50 per cent went to the Community Chest, 20 per cent to the American Red Cross, and the remaining 30 per cent to the World University Service. This year's recipients will be the 1956 United Red Feather-Red Cross campaign and WUS.

Europe Jaunt Summer Trip For Knudsen

Perhaps you can't call Jim Knudsen a world traveler but at least he has started his claim on the title.

This summer Knudsen, a junior social science and education major, packed his bags and visited relatives in Denmark.

Knudsen's father and grandparents came to this country from Denmark. He said his trip to the old country marked the first time in 45 years that any member of his dad's family had been back to the homeland.

Six-Week Visit

While in Scandinavia Knudsen spent six weeks visiting Copenhagen, Nykobing, Folster, Svendborg, Fyn and Aarhus, Denmark. He also spent a week in Oslo, Norway, and stopped briefly in London, Paris, Germany and Belgium.

Knudsen said he liked Scandinavia best of all the places he visited. He said physically it is very much like the United States. The Scandinavians have been taught English in school for nearly 40 years. Consequently, Knudsen said he had almost no language troubles while in Denmark and Sweden.

In some ways he found Denmark behind the USA. The people have no washing machines and few refrigerators or heavy electrical equipment. Cooking is done on gas burners. Hot water is not common, especially in the summer.

Lots of Eating

"One of the nicest things about Scandinavia," Knudsen said, "is that you have four or five meals a day. For breakfast you have

Clark Announces Tentative Casting Of Fall Production

Tentative casting for the University Theater production, "The Rainmaker," has been announced by Director Dr. Edwin L. Clark.

Cast as the "Rainmaker," Bill Starbuck, in the N. Richard Nash production, will be Hugh Allen. Active in OU's dramatic field he played the leading role in last year's production of "The Heir-ess."

The midwest farmer, H. C. Curry will be played by Jon Lundberg. Marlene Hoffman has been named to the role of Lizzy Curry, the farmer's daughter and the only female role in the cast.

The farmer's sons, Noah and Jim, will be played by Don McKeen and Tom Finley, respectively.

Gifford Anderson as Sheriff Thomas and Jerry Emery as File, the deputy sheriff, complete the cast.

Don Holmburg will be assistant director. Assisting him will be Mary Little, costumes, and Houghton Reed, lighting.

Students Boost Omaha Fire Prevention Week

Fire Prevention Week was boosted by OU students Tuesday in a parade. Five cars from each fraternity on campus were decorated and driven to Twenty-fourth Douglas streets.

They were met by fire equipment from the downtown station, and the parade continued through downtown Omaha.

coffee and toasted rolls. Lunch is smorgasbord with beer, coffee or tea. Supper consists of meat, potatoes, gravy and dessert. Then at 8 o'clock you have coffee and coffee cake.

Knudsen said the hardest thing he had to learn was to walk on the sidewalk instead of the bicycle way.

'Leaders Must Lead' Speaker Tells Group

"If we assume the role of leadership, we must lead."

So stated Seymour Kaplan, regional director of the Anti-Defamation League of B'nai B'rith in Omaha.

By his statement on leadership, he was referring to the responsibility of such groups as the churches, schools and the citizens of this country.

Speaking before the faculty and students at the Panel of Americans coffee hour, Kaplan expressed a need for "leaders with drive" to fight racial and religious prejudices that exist.

In his talk here, he mentioned the five areas of discrimination in which prejudice is most prevalent, employment, housing, social contact, public accommodations and education.

Need for Legislation

He depicted the need for legislative help in producing a program of education to inform people of the seriousness of this problem.

"The laws of the land," Kaplan said, "are a reflection of the mores of the community. The law is the structure for a well-ordered society and is the will of God."

Mr. Kaplan has been in Omaha for the past four years, and has witnessed cases of racial discrimination in the educational field. He pointed to a specific case of a Negro girl who completed her un-

dergraduate work at Omaha U., and received her masters degree from Nebraska U.

"She was not able to get a teaching position in the secondary school system of Omaha," Kaplan said, "although the cry was out for more teachers."

"Mr. Jensen, superintendent of schools in Minneapolis, came to Omaha and hired her to teach in that city. This girl was trained in Omaha, yet had to go to another state to teach," he stated.

"Minneapolis hires their teachers on the basis of merit only," observed Kaplan. "... This, and no other reason."

According to Mr. Kaplan, Mr. Jensen said that this girl is now an "exceptionally good teacher."

Boston U. Grad

Mr. Kaplan graduated from Boston University, where he got his masters degree in social work. His wartime experiences as a gunner in the Navy led him to decide to devote his life to the program of the ADL, which is attempting to eradicate discrimination in this nation.

Preceding Mr. Kaplan's address, the Panel of Americans, composed of Becky Chartier, Carolyn Nevins, Elaine Sternhill and Al Fellman, spoke on the need for such a panel and told of interesting experiences they have had as members of the panel. Mr. Alfred Sugarman introduced the speaker.

A Pi KA team, led by Warren Hopson, defeated the Zeta's in a charades contest.

Sigma Kappa

Sigma Kappa actives and pledges will have a chili party after tomorrow night's OU-Eastern Kentucky football game.

An all-Greek square dance has been set for next Friday night. Details will appear in next week's GATEWAY.

Eastern Kentucky Maroons To Face Omaha Indians At Municipal Stadium

By Don Digilio and Jerry Fricke

Indian football followers, who didn't get to see the exciting Tangerine Bowl game on New Year's Eve will see somewhat of a belated bowl game when Eastern Kentucky makes the long jaunt to meet the Omaha Indians in Muni Stadium tomorrow night.

In last season's bowl game, the Omaha team edged the Maroons 7-6. From the way things look on paper, the two teams will probably be hooked up in the same kind of game.

Calling signals for the Maroons will be 148-pound Bobby Lenderman who was very impressive in last year's game. At left half will be John Sebest, a 187-pound sophomore. Sebest is the leading punter, having averaged 34.5 yards on eight kicks. Coach Presnell considers Sebest one of the best prospects to don an Eastern Kentucky uniform in a long time.

Horace Harper is the probable starter at right half. Ernie Rigrish at fullback will round out the Maroon backfield.

At the flanks will be Tom Schulte and Paul Thomas; both 185-pound sophomores. Schulte is the leading pass receiver for the Maroons, catching seven passes for 156 yards and three touchdowns. Thomas has caught three passes for 34 yards.

The Maroons' line from tackle to tackle averages 205 pounds. Heaviest man is 214-pound Don Hortman who did a stellar job against the Indians last year and

Coaches Cotton, Brock and Cardwell map plans for tomorrow night.

may prove to be a thorn in their side this year.

Last week the Maroons dropped a 13-7 decision to a powerful Tennessee Tech squad. The loss gave them a 12-1 record this season.

Everyone on the OU campus is looking forward to the big contest. Even Mayor Johnny Rosen-

blatt has taken a special interest. Rosenblatt sent a telegram inviting Mayor J. Rolfe Davis of Orlando, Fla., to see the game. But due to a previous engagement, Mayor Davis regrettably turned down the invitation. He stated that he hoped to see the Indians play at a later date.

Support Night Football

In the past few years, a number of students have petitioned the cause of night football. When Eastern Kentucky and the Indians meet under the lights tomorrow, it will be the first time in years that our school has played a home game at night.

Strong support of the student body will speak in favor of erecting such facilities at our home stadium. The controversy which has milled around concerning the success of such a venture will definitely be brought to a head as the two "Tangerine teams" meet.

Come to the game. Let's get out a big crowd and show that night football, where everyone can attend without infringements on jobs and other afternoon functions, will more than pay for itself.

Larry Means.

Pawnees Try for Second Flag Football Championship

Ernie Gorr, head of Intramural Department, has announced that ten teams have signed up for the men's intramural flag football competition. Half of the entries are Independents, and the schedule will give all teams a chance to play the other nine.

Pawnees, last year's champions, are back again with many "lettermen," who hope to make it two years in a row. Theta Chi, Sig Ep, Pi Kappa Alpha and ROTC were the other teams in the top five last season.

Each team must carry at least nine men and no more than 16. Team captains will inform players about regulations. One rule which

will be enforced strictly is that no man can play for two teams.

OU Trounces Braves, 20-13

Three touchdowns in the first half enabled Omaha University's Indians to defeat scrappy Bradley University 20-13 at Peoria, Illinois, last Saturday afternoon.

Bill Englehardt spearheaded the Omaha attack by chalking up a combined rushing-passing total of 236 yards. Don Hakes, did a yeoman job both offensively and defensively for the Braves.

The Indians opened the scoring early in the first quarter on a 76-yard push. Big Pete Rigatuso went over from 22 yards out to climax the drive.

Second Tally Early

The Indians second tally came early in the second period. An Englehardt-to-Howard Baker pass was good to the Bradley 14. On the next play from scrimmage, Englehardt out-manuevered the Bradley defense and scampered 14 yards for the touchdown.

The Indians final tally came late in the second quarter. John Cimino took a pass from Englehardt on the Brave 35-yard line and went all the way for the touchdown.

Elms Takes Punt

After a scoreless third period, John Elms took a fourth quarter OU punt and streaked 80 yards for the last touchdown of the afternoon.

With 10 minutes remaining in the game, Omaha reserves moved the ball to the Bradley six before an intercepted pass thwarted another Indian scoring bid.

Cross-country Inaugural With Cornell Tomorrow

Cornell College will be the guest at Omaha University's inaugural cross-country meet tomorrow afternoon.

Thirteen harriers have reported to Coach Ernie Gorr. Mel Decker, a track letterman, leads in experience. None of the candidates have any cross-country experience, but all have done distance running.

The remainder of the Indians first cross country schedule: Oct. 22, Emporia and Drake at Emporia, Kans.; Oct. 27, Emporia and South Dakota University here; Nov. 12, South Dakota U. at Vermillion, S. D.
